

Kinship Care

Information and Advice Service

Are you

- caring for your grandchild full time?
- caring for your sister or brother's children?
- a professional supporting a kinship family?

Are your children being cared for by someone else in your family?

protecting
and
building
futures

We can help with

- Specialised information and advice about kinship care
- Relevant and up to date community information about services
- Information about support groups for kinship carers
