Transforming CHALLENGE into TRIUMPH

Precision Academics Resource Bank

by **Val Gray Assoc MAPS**
Educational Psychologist and Special Education Consultant Reg. NSW:PS0066231

The Precision Academics Resource Bank provides resources which support schools and families in the education of students who have special learning needs from 3 years to 19+ years of age. This outstanding collection, contained on a single CD ROM includes over 7,000 pages of activities (arranged into 500+ Workbooks, Scaffolded Booklets & Special Programs).

The Precision Academics Resource Bank is designed to promote Best Educational Practise for Curriculum Differentiation to support Inclusive Education.

- ✓ It provides a fantastic Resource Base for SCHOOLS and HOMESCHOOL Families
- ✓ It contains Workbooks and Activities which can be tailored to suit students of all ages and ability levels – from “Pre-School Transition” through to the end of High (Secondary) School
- ✓ It provides outstanding curriculum-based, resource support of special learning needs, with a particular focus on
 - ❖ Down Syndrome
 - ❖ Asperger’s Syndrome & Autism, AD/HD, Receptive/Expressive Language Disorder, Dyslexia, English as a 2nd Language
 - ❖ Intellectual Disability and Learning Difficulties, Gifted and Talented students
- ✓ All resources are suitable for students and teachers who use spoken and / or signed communication
- ✓ All resources are highly visual, stimulating, engaging and completely success-based, promoting mastery learning for confidence, self-esteem & skill development
- ✓ All resources are **outcomes-based**, supporting Curriculum & Key Learning Skills, including Assessment and Work Sample pages to track student progress
- ✓ All resources are linked directly to Curriculum Outcomes - Mainstream & Life Skills and can fit seamlessly into Individual Education Plans
- ✓ The range, extent and structure of resources allows students to spend as little or as much time as necessary at each Level

“Precision Academics provides a fantastic line of workbooks for pre-school age to High School levels. These workbooks are specially designed for those with special needs. It takes a lot to impress me, so I have to tell you that these workbooks knocked my socks off!.....” Kristy Colvin, President of the International Mosaic Down Syndrome Association
