2019

Pincus Family Flagship Scholarship Application Form 2019

The Pincus Family Flagship Scholarship gives financially disadvantaged young people the opportunity to access education and training after secondary school.

The scholarship provides two young people who are currently in care through OzChild, or those who have recently exited OzChild's care, with a scholarship valued between \$5,000 to \$8,000 to support educational needs for the 2020 study year.

The funds can be used to pursue education or training at university, TAFE or any other Registered Training Organisation (RTO) and can be used to help pay for items such as textbooks, tools, fees, personal development and much more.

At OzChild we believe every young person deserves the chance to shine and recognise the challenges faced in gaining access to education and training opportunities. We also know that having the chance to fulfil your educational dreams can be life changing.

We encourage applicants from all cultural backgrounds to apply. To learn more or for assistance with your application please email us at: scholarships@ozchild.org.au

If you are under 18 years of age you will need a guardian to check over your application and sign at the end in the space provided.

If you're motivated to continue your education or training but need a helping hand, please apply for the Pincus Family Flagship Scholarship today.
