Chance to Shine

ozchild

OzChild Education Services is excited to offer the Chance to Shine program - providing support for those who need it most.

The purpose of this program is to provide individual funding opportunities for OzChild children and young people aged 5-18 years who are experiencing challenges and/or disadvantage which impacts their educational progression. This may include financial support for items such as uniforms, books, technology, transport, tutoring, or school excursions.

Scholarships are awarded four times a year. Applications are open during the months of February, May, August and November only. Check our website for key dates.
