

OzChild Marks

170 Years

May the children of today lead us to a brighter tomorrow

For 170 years OzChild has been focused on creating brighter futures for children and young people.

It is our hope that by giving children and young people the chance to shine, by delivering programs and services that work, and by supporting them to thrive in safe and nurturing homes, the children of today will lead us to a brighter tomorrow.

Understanding, honoring, and learning from our history, stretching back to the antecedents of the original Melbourne Orphanage in 1851, has been an important part of OzChild's evolution and that of the child welfare sector. Our programs and services have evolved as we strive for a better future, and never lose sight of our vision that all children and young people are safe, respected, nurtured, and reach their full potential.

Marking 170 years

Commemorating OzChild's 170th year in 2021 paves the way to provide an opportunity for supporters, donors and partners to join in marking this milestone event, by participating in fundraising activities and events throughout the year, spreading the word and raising awareness, providing in-kind or pro-bono support or contributing to OzChild's Brighter Tomorrows Fund.
