

'Your Past, Their Future'

Mentor Program

Are you passionate about young people?

Do you want to give back?

Can you spare one hour a week to support and mentor a young person through their school years?

Young people who are mentored are more likely to stay in school, have higher self-esteem and have positive relationships with their peers, teachers, families and community. They are less likely to drop out of school, misuse drugs/alcohol or show violent or antisocial behavior.

Make a difference!

- Volunteer only one hour per week during school terms
- Work with a young person from primary or secondary school in Drouin and Neerim South
- No experience necessary. Full training and support provided
- You have something to offer a young person- time, experience & support
